

Name _____

Itsy Bitsy Spider

The itsy bitsy spider
went up the water spout.

Down came the rain,
and washed the spider out.

Out came the sun,
and dried up all the rain.

And the itsy bitsy spider
climbed up the spout again.

The itsy bitsy fly
went up the water spout.

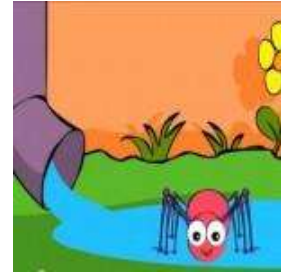

He got stuck in the web
and he didn't get back out.

Out came the spider,
and ate that little fly.

And that was the end
of the fly – goodbye!
